Latest News

Dear Parents/Carers,

I can't believe there's less than two weeks till the half term holidays – time is flying by. We're all super egg-cited in school with the arrival of our 'Living Eggs' in Nursery. We have ten eggs in an incubator and the children are watching in anticipation of them hatching. We will have a webcam hooked up very shortly, so we can keep an eye on them (we'll let you have a link to the live feed) and all classes will be spending some time visiting Nursery to find out all about them – thank you to FONS for making this special activity happen in our school!

We are currently working on a new attendance policy through the Together Learning Trust, as soon as it is ready, we will share it with the school community, In the meantime, please ensure you fill out any holiday request forms and let the office have them. If your child is going to be late or absent from school, please ensure you let the office know before 9:30am.

Enjoy the rest of the news!

Bee Hive Opening

A reminder that our outdoor classroom will be officially opened on Saturday from 10am-12pm – we'd love it if you could pop by for a drink and a slice of cake. The weather looks like it might be kind to us – so hopefully we can make it a real celebration of lots of hard work and dedication over many, many years and many, many families. If you'd like to donate some baking, then we'd be very grateful!

Playground Buddies

We have lots of responsible role models from our Year 2 classes that help in Nursery at lunchtimes. They encourage our school rules of 'Kind Hands, Kind Feet and Kind Mouths' and help the children to create fun games. Thanks to FONS, we now have official playground buddy outfits, so our amazing pupils can easily be spotted helping others and feel special too! Thank you FONS for making this possible.

Disco – Years 1 & 2

It's back! It's a week on Thursday – please come to your classroom door to be registered. Pick up will also be through your normal classroom door.

King's Coronation

The coronation celebrations were a real treat in school and we're sure that children will remember them for many years to come. We've shared many photos on our social media sites, but here are a few from our portrait display...
